The screenshot displays a chess game in progress. The board shows White's king on e1 and queen on d1, with pawns on d4 and e5. Black's king is on e8 and queen on d8. The game is between GM Luke Skywalker (2256) and GM Obi-Wan Kenobi (2598). A blue timer bar at the top right shows 2:55. Below the board, a move list shows 1. e4. A chat window titled "Arbiter chat" is open, showing the message "Arbiter: Hi, how can we help you?". At the bottom right, a red box highlights the "Call arbiter" button, with a red arrow pointing to it from the text "chat with an Arbiter".

Navigate Divisions and Rounds

The screenshot displays the Tornado chess interface. On the left, a sidebar contains the following navigation options: Series, Skywalker challenge, Event summary, Player list, Games, Skywalker Kenobi, U-18, U-16, U-14, Standings, U-10, Standings, Round 1, U-12, and Standings. A red arrow points from the 'Skywalker challenge' link to the game board. The main area shows a chessboard for 'Round 1, board 2'. The board is an 8x8 grid with alternating light blue and white squares. Black pieces are on the top rank (8), and white pieces are on the bottom rank (1). A green square highlights the e5 square, and a black pawn is positioned on d5. To the right of the board, the game details for Obi-Wan Kenobi (2598) vs. Luke Skywalker (2256) are shown. The time for Obi-Wan is 3:06, and for Luke is 3:03. The move list shows 1. e4 0:00 and e5 0:03.2. At the bottom right, there is an 'Arbiter chat' button.
